MANAGEMENT DISCUSSION AND ANALYSIS REPORT
INDUSTRY STRUCTURE, OUTLOOK AND DEVELOPMENT

India has been the leading producer and consumer of dairy products worldwide since 1998 with a sustained growth in the availability of milk and milk products. Dairy activities form an essential part of the rural Indian economy, serving as an important source of employment and income. Moreover, nearly all of the dairy produce in India is consumed domestically, with the majority of it being sold as fluid milk. On account of this, the Indian dairy industry holds tremendous potential for value-addition and overall development. There are many Opportunities and Challenges in the Indian Dairy Industry. Dairy products are a major source of cheap and nutritious food to millions of people in India and the only acceptable source of animal protein for a large vegetarian segment of the Indian population. The laws regulating the safety and quality of food are in existence since 1899. The number of legislations and quality standards has also increased substantially with the passage of time and growth of the industry. The food sector in India is governed by a multiplicity of laws under different Ministries. The “Food Safety and Standards Act, 2006”, aims to integrate the food safety laws in the country in order to systematically and scientifically develop the food processing industry and shift from a regulatory regime to self-compliance. Organized dairy sector is growing and investor interest in dairy industry is also quite high. The main aim of the Indian dairy industry is to enhance milk production and upgrade milk processing system by using innovative technologies.

OPPORTUNITIES AND THREATS
Opportunities

- (i) With increased income levels, demand of milk products has gone up. This would mean higher consumption of conventional milk products as also introduction of new milk based products.
- (ii) Milk is a preferred source of protein by Indian populace. Milk and milk products are therefore likely to get preference from consumers who look for protein rich food.
- (iii) India is the largest producer of buffalo milk which is a preferred variety of milk for making certain type of cheese. It offers a good export opportunity for Indian cheese made of buffalo milk.

Threats

- (i) Milk prices are expected to increase due to lower supply of Milk, resulting into higher cost.
- (ii) Production of milk in India is very widely scattered in rural areas and at vast distances from the places of consumption i.e. urban areas.
- (iii) The trend of adulterated Ghee continues to plague the market which is a serious health risk for the consumers.
- (iv) With increase in education level of young farmers, there is a tendency among the young folk to prefer white collar jobs over conventional dairy farming profession.

GROWTH OUTLOOK

The Indian economy is the fastest growing major economy and is projected to grow faster in the coming years. Rapid urbanization has led to a major increase in the demand for packaged/processed foods, favorably impacting the dairy industry in the country. In the era of digitization and increased access to actionable information, the Indian populace is becoming health and product quality conscious, which has led to the

improved variety of food products available in the country. The increase in working population is leading to increased demand for convenient healthy and tasty products by the consumers.

Milk production as well as production of milk products by organized sector is expected to grow at a robust pace. Higher rate of growth is expected in value added dairy products. Western dairy products, which currently occupy a small space, are likely to grow on a faster clip. Packaged milk and products are likely to progressively replace loose milk and products.

EXPANSION PLANS

The Company holds on to its long term vision of becoming a significant player in Dairy space.

RISKS & CONCERNS

With rise in education level of rural population, young generation of farmers is showing apathy for their ancestral profession. There is a tendency in them to prefer white collar jobs over dairy farming in its present form. Government - both Central and State - have increased their focus on ensuring safe food products including milk products to the consumer. However, due to the lack of adequate testing equipment's in Government labs, lot of fear and confusion has been created in the minds of industry as well as consumers.

SEGMENT WISE /PRODUCT WISE REPORTING

Your Company does not have the segment or product wise performance.

INTERNAL CONTROL AND GOVERNANCE

The Company has internal control system commensurate with the size and nature of the business which is monitored for its effectiveness on continuous basis. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance with corporate policies.

The Company has appointed M/s Naresh Kumar & Co., Chartered Accountants, (FRN 005987N), New Delhi to oversee and carry out internal audit of its activities.

The internal audit reports are reviewed by the Audit Committee periodically. Based on its evaluation (as defined in section 177 of Companies Act 2013 and Clause 18 of SEBI Regulations 2015), the Audit Committee has concluded that, as of March 31, 2020, the Company's internal financial controls were adequate and operating effectively.

FINANCIAL AND OPERATIONAL PERFORMANCE

The Company achieved gross turnover including other income of Rs. 588.10 Lakh and post net profit of Rs. 105.55 lakh for the financial year ended on 31st March, 2020 as against gross turnover including other income of Rs. 135.01 Lakh and net profit of Rs. 319.45 Lakh in the previous financial year.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of the standalone Financial statements that give a true and fair view of the financial position, financial performance, and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements, or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timings of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationship and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequence of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order 2016, issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we enclose in Annexure 'A', a statement on the matters specified in paragraphs 3 & 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of written representations received from the directors as on 31 March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2020, from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refers to our separate Report in "Annexure B" which is based on the Auditor's Report of the Company. Our report express and unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over reporting of the Company.

g) Attention is invited to Note no.26 stating that some of balance of debtors, creditors and loans and advances are subject to confirmation from respective parties. We have relied on the representation of the management that no

significant impact is expected on the working results of the company on this account.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the

Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Company has disclosed the impact of pending litigation on its financial position in its financial statement.
- (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivatives contracts in financial statements.
- (iv) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure –B to the Auditors' Report**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Mahaan Foods Limited ('the Company'), as of 31 March 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MAHAAN FOODS LTD.
NOTES TO THE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED ON 31ST MARCH 2020
1. Overview

Mahaan Foods Limited (MFL) is an ISO 9001/2000 & HACCP certified company which was incorporated in 1987. The Company is engaged in manufacturing of dairy products and pharma nutritional products.

2. Significant Accounting Policies:

- a) The financial statements are prepared under the historical cost convention and have been prepared in accordance with applicable mandatory Indian Accounting Standards and relevant presentational requirements of the Companies Act, 2013.
- b) The Company follows the mercantile system of accounting and recognizes income and expenditure on accrual basis. Accounting policies not specifically referred to otherwise are consistent and in consonance with generally accepted accounting principle in India. Accounting policies are consistently applied and consistent with those used in previous year.
- c) The preparation of financial statement in conformity with generally accepted accounting principle requires management to make estimates and assumption that affect the reported amount of assets and liabilities and disclosure of contingent liabilities and commitments at the end of the reporting period and results of operations during the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from those estimates. Difference between the actual result and estimates are recognized in the period which the results are known/ materialized.
- d) Fixed Assets are stated at cost less depreciation. The cost of fixed assets includes interest on specific borrowings obtained for the purpose or acquiring fixed assets up to the date of commissioning of the assets and other incidental expenses incurred up to that date.
- e) Plant and machinery includes expenses incurred on erection and commissioning, foundation, laboratory equipment, air and water pollution devices, electric installations, technical know-how fees, tools, and miscellaneous fixed assets other than land, building, furniture & fixture, vehicles, office equipment's, computer equipment's and air conditioning equipment's. Technical know-how fee is inseparable and hence treated as part of plant & machinery. No adjustment is required to be made as per Indian accounting standard 38 on intangible assets, issued by the Institute of Chartered Accountants of India.
- f) Expenditure related to and incurred during implementation of new /expansion-cum- modernization projects is included under capital work in progress and the same is allocated to the respective tangible assets on completion of its construction/erection.
- g) Long term investments are valued at cost. Where investments are reclassified from current to long term, transfers are made at the lower of cost and fair value at the date of transfer.
- h) Inventories of raw materials, stock-in-process, semi-finished products, stores, packing materials, spares and loose tools, finished products are valued at lower of cost or net realizable value. In determining the cost, first in first out method is used.
- i) Prior year expenses / income, if any are adjusted in the respective head of expenses/ income. This has no effect on the working result of the Company.

Dear Shareholders,

RE: SHAREHOLDERS HOLDING SHARES IN PHYSICAL MODE

SUBJECT: TRANSFER OF SHARES COMPULSORILY IN DEMAT MODE

Amendment to Regulation 40 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) with respect to mandatory dematerialization for transfer of securities

- a. SEBI vide gazette notification no. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018, has mandated that transfer of securities would be carried out in dematerialized form only which will come into effect from December 5, 2018.
- b. According to the aforesaid notification, request for affecting the transfer of securities shall not be processed unless the securities are held in the Dematerialized form with the depository with effect from December 5, 2018.
- c. This restriction shall not be applicable to the request received for transmission or transposition of physical shares.
- d. Shareholders are requested to get in touch with SEBI registered Depository Participant to open a Demat account
- e. Shareholders holding shares in physical form are requested to dematerialize shares at earliest to avoid any inconvenience in the future for transferring those shares enabling them to trade in electronic form.
- f. Please refer to the following procedure for dematerialization of shares.

PROCEDURE FOR DEMATERIALIZATION OF SHARES

- Dematerialization starts with opening a Demat Account. For Demat account opening, you need to shortlist a Depository Participant (DP) that offers Demat services. A DP is an agent of the depository (NSDL and CDSL) providing depository services to investors.
- Shareholders should submit the duly filled in Demat Request Form (DRF) along with physical certificate(s) to the concerned DP.
- DP intimates the relevant Depository of such requests through the system.
- DP submits the DRF and the Certificate(s) to the Company's R&TA.
- The Company's R&TA confirms the dematerialization request from Depository.
- The Company's R&TA, after dematerializing the certificate(s), updates accounts and informs concerned depository regarding completion of dematerialization.
- Depository updates its accounts and informs the DP.
- DP updates the Demat account of the shareholder.
